Dear Sir:

Your letter of March 2nd just received. I was very glad to hear from you as the time is drawing near when we will have to be leaving for camp.

I want to thank you for your kind assistance in helping me to arrange for training quarters. The date you said the park would be available is alright, as I have not planned to have the entire team in camp until about April 4th. I will have to arrange however some way for the pitchers to be able to get in condition two weeks before the team arrives. They do not require a ball park, as their conditioning is mainly exercising and throwing. I am sure a place can be found where they can do this.

Now I will appreciate it if you will let me know right away what room and board for the men will cost me. In the first group there will be about ten men, and in the second about eleven. We like to keep them all together if possible.

About the exhibition games. I have promised to play The Atlanta Black Crackers in Atlanta on Sunday April, 23rd, and I have to be back home for the week end of May 7th. I have almost decided to play in Norfolk and Portsmouth the week end of April 30th. Other than these days I have not closed any dates. I would like a good spot to play Sunday April 16th and of course any week days in between. If you can arrange any interesting dates, please let me know right away, also the terms.

Hoping to hear from you right away.

Very Truly Yours
